## Same Story: Leuer Leads Team And Conference

The promise of a fiery new coach led the Trojan grapplers to high hopes and a season that had an amount of success. Coach Peterson proved to be as fierce a competitor as was expected, and from pasting signs on the wall to rubbing noses with the team players, he tried to transfer some of the spirit to them.

Although having a losing season of 3-10, four of the matches were decided by one match and could have gone either way. Again, senior wrestler Gary Leuer was the highlight of the year. With a 13-0 record in dual meets, Leuer went on to win District 18 and Region 5 titles, finally finishing fifth in the state. Other leading performers were: seniors Tom Cady, Steve Comer, Warren Henning, Mark Omlie, junior Jake Cadwallader, and sophomore Gary Laurent.
