Mr. Cherwien kept both the choir and girl's glee club busy with loads of new music from the ridiculous ("Neighbor's Chorus" and "Bourree for Bach") to the sublime (Four's "Requiem" and Bach cantatas). In between Christmas, Southdale, spring, and various other concerts, the choir practiced "The Pirates of Penzance", a Gilbert and Sullivan musical presented in the spring complete with home made costumes and sets. And, as the Seniors' final performance, the choir sang at the graduation ceremony.
