

# Assemblies and Pepfests

Throughout the year, in the form of assemblies and pep fests, we have seen everything from Pythons to the evolution of dances. With the aid of cheerleaders, chorus line, and our beloved athletes, we have had an enjoyable year.

It's easier seen than done. Our varsity cheerleaders.

The dance of tomorrow?

"That's my kid out there!"

Oh, he's so cute! D. Burt and C. Giroir with the snake-man.
